Examiner's amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The non-elected claims 1-3 have been canceled in view of the election without traverse made on 8/9/04.

Statement of reasons for allowance

Claims 4-8 have been allowed.

The claimed method of forming a buried layer whereby doping the substrate on either side of a layer portion provided at the location of the buried layer ahead of forming the buried layer, and removing the layer portion by isotropic etch after digging an opening from the substrate down to the location and filling the etched cavity by metallic material is neither taught nor rendered obvious by the prior arts.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Refer to PN:6,080,618.
